Blessings to all our dearly beloved Cor-Episcopoi and Priests.

As we have approved at the clergy retreat last month, we will continue the term of those elected as the Malankara Association and Diocesan Assembly members prior to the division of the Diocese. That is, those previously elected will continue as the representatives of Malankara Association and of the Diocesan Assembly until they finish their term of five years or until a new direction from the Church is given concerning it.

In order to have a proper listing, please send the contact information for the current Malankara Association and Diocesan Assembly members from your parish to the Diocesan Office by mail or e-mail:

The names, addresses, e-mail address, and contact phone number is needed for each individual. Please send the above information at the earliest.

May the Triune God bless you and grant you a peaceful and a prosperous life.

Your Shepherd in Christ,

Alexios Mar Eusebius
